Nome SDEU
MICS 3: On December 10, 2021, at approximately 08:50 a.m., the Nome Statewide Drug Enforcement (SDEU) received a tip that Grace Tuzroyluke and Masuk Marcelina Casados-Lane, of Point Hope, traveled to Nome, AK on December 9, 2021 and were in possession of a large quantity of cocaine. The two females were allegedly traveling back to Kotzebue on December 10, 2021. The investigation revealed on December 9, 2021, Tuzroyluke and Casados-Lane were destined for Kotzebue from Anchorage on Alaska Airlines and were removed by the flight crew in Nome for poor behavior and were re-booked for the Nome to Kotzebue flight the evening of December 10, 2021. Nome SDEU applied for and was granted a search warrant for the persons of Tuzroyluke and Casados-Lane as well as any bags belonging to Tuzroyluke and Casados-Lane. A second search warrant was obtained for an internal body scan of Tuzroyluke. Investigative efforts by Nome SDEU and AST led to the seizure of 27.2 grams of cocaine from Casados-Lane and 59.3 grams of cocaine from Tuzroyluke. All of the cocaine seized had been secreted internally within Casados-Lane and Tuzroyluke. One ounce of cocaine (28 grams) is sold in Anchorage for approximately \$1,200; cocaine is sold in Kotzebue for approximately \$150 per gram. Therefore, the approximate Kotzebue street value of the 86 grams (3 ounces) of cocaine seized from Casados-Lane and Tuzroyluke is \$12,900. The amounts seized in this case are consistent with the distribution of narcotics rather than just personal use. Tuzroyluke and Casados-Lane were subsequently arrested, and each charged with Misconduct Involving Controlled Substances in the third degree; they were remanded at the Anvil Mountain Correctional Center.
